MONDAY 15 NOVEMBER 2021

211 BARREN COWS, CULL BULLS & OVER-AGE CLEAN CATTLE (Green Market)

Auctioneer : Bernie Hutchinson (07778 164274)

Great our numbers are holding firm as the autumn season moves on at pace and as usual a big thank you to all our local and distant vendors for their continued support. Trade remains remarkably buoyant for the time of year and in contrast to deadweight centres reducing prices and that's due to our strong array of loyal weekly buyers. Being a green certainly changes the dynamic with exporters and further finishers all thrown into the mix and being able to value add to certain types of cattle on the night. Leading lights shone brightly to 214p for sucklers, 218p for clean, 178p for dairy and 147p for bulls.

136 Dairies - Demand throughout for all weights, grades and ages but certainly young well fleshed cattle returned at a premium. Trade raced away to 178p (£993.24) for young black and white from The Brown Family, Abbots Bromley, DE.&SE. Furnival & Family, Napley saw 162p (£884.52) for similar goods, Lees Dairy Farms, Adderley 145p (£1,183.20) for black and white, 141p (£659.88) for young lean Brown Swiss from The Darlington Family, Chapel Chorlton, GS. & A. In the lump The Madders Family, Adbaston animal grossed £1,137.84, Norton Hall Farm, Stone £1,137.84 and R.G. Woolley & Son, Dig Lane cow to £1,090.56. The section average returned at 111p (£688.07).

54 Sucklers - Green market certainly opened the door to value add on some plain cows with five feeding accounts operating but it was an export cow which took the top accolade selling to 214p (£1,609.28) for Blue from Brian Taylor & Family, Scholar Green and Limousin to 158p (£1,030.16), WH. Edwards & Sons, Maesbrook saw their Charolais to 158p (£1,447.28), 157p (£1,482.08) and 154p (£1,235.08), The Hockenhull Family, Wrenbury Blue Cross to 166p (£1,251.64) and AG. & RL. Cornes, Halmer End Limousin to 161p (£846.86). Native breeds to 180p (£1,144.80) from The Bowers Family, Bradley. The section average returned at 144p (£1,053.56).

The calves keep on coming with over 600 forward this week. It was great to see another full ring of buyers with 3 first time purchasers as well. As for trade, it's a similar story to recent weeks with a fast pace throughout the sale for all types with the best continuing to demand the premium prices. As for the mediums and smalls the prices are reflective of the shape, size and age.

Firstly the Friesians, which were a stand on trade with good numbers of rearer buyers in operation. Top price was £132 for both C.B. Davies & Partners, Saughton and Mr J.W. Wright, Mere. Best at £80 to £120, mediums at £50 to £70, smalls at £25 to £40. Native bulls a fair trade but a good buy today in relation to recent months. Top price went to a Hereford at £270 for Smeaton Hall Farms, Wrenbury. Best bulls £170 to £200, Mediums at £130 to £160 with smalls at £80 to £120. Something for everyone in the Continental bulls with plenty of best quality and plenty of lower budget types which were in particularly high demand today. Top price £350 for a Blue from TS.&AE. Hartley, Knutsford. Best types £280 to £340, mediums £220 to £260 while smalls trading at £150 plus.

The native heifers were a good trade with best types £150 plus, with a top price of £270 for and Angus from Smeaton Hall Farms. The edge just off the rest with mediums at £70 to £120 and smalls from £40 to £60. The Continental heifers the trade of the day with plenty of buyers about for all grades! Top price went to a Blue from EPT.&ED. Whitlow, Lower Whitley at £330. Best types £250 to £300, mediums £200 to £240 and smalls £120 to £170.
