With the farming community more focused on harvest or Stafford Show numbers as expected were less. It was our "Celtic" cousins who provided over half the entry this week thus resulting in a reasonable number to tantalise the taste buds of our buyers with. Trade remains extremely buoyant especially for well fleshed cattle and please do not rush your cattle with several today would have benefited from a couple more weeks on hard feed. At Drayton we are blessed being a Green Market allowing for the finishers to operate and accommodate leaner cattle however these do affect averages!! Leading lights shone brightly to 288p for heifers, 278p for steers and 267p for bulls.

The first 600 plus week of the Summer/Autumn period, with similar numbers expected every week for the next few months. If you're after calves, come and see us, we have something for everyone and can guarantee you a full trailer load! A mixed entry of quality which is to be expected with so many on offer, also a good number of 8 to

12 week old calves/weanlings today from several large entries. As for the trade, still just as strong even if it did feel harder work in places. But when you look at the top prices and averages its fair to say the calves are still a superb price!

Firstly the Friesians saw a stand on trade for what overall was a very mixed show. Best bulls at £120 to £150 topping at £155 for Broad Oak Farms Ltd, Siddington. Medium bulls at £60 to £90, smalls at £30 to £50. The Continental bulls still in very high demand with the best off the clock at £330 to £380, topping at £430 for a 30 day old Blue from G.A. Hargreaves & Sons, Cresswell. A small entry of medium bulls traded at £260 to £310 and younger plainer sorts at £180 to £230. More quality in the Native bulls today with best types at £270 to £330, topping at £405 for an Angus from DRK Agriculture, Macclesfield. Medium bulls at £180 to £250 while smaller sorts getting away well at £125 to £160.

A decent trade for the native heifers once again with the mediums in very high demand. The best trading at £180 to £210 topping at £295 for a Angus from F.&R. Brassington, Endon. Medium heifers at £140-£170 while smalls traded at £80 to £120. Continental heifers another good trade but not quite as dear as last week. The best at £260 to £330 topping at £380 for a Limousin from Mr S.R. Nash, Stoke-on-Trent. Medium heifers at £200 to £240 and smalls at £150 to £190. Just under 70 stronger calves today at 8 to 12 weeks old, including Friesians to £250 for Messrs RA Harrison, Wem, Blue bulls to £410 for Broad Oak Farms Ltd, Angus bulls to £430 for DRK Agriculture and Angus heifers to £375 for Mr C.P.
